LARGE CONTAINER DEODORIZING IS JUST A "SPRAY-AWAY"
WITH THE DEMA PRO SCENTNAL™ ODOR CONTROL SYSTEM

The DEMA PRO SCENTNAL™ spray dispensing system easily handles odor control in trash chutes and dumpsters or any large trash collecting container.

There's an easy-to-program mechanical timer, encased in a splash-resistant ABS locking enclosure. The spray nozzle is brass for long-life in today's tough environments. Tube options include EPDM, viton, silicone and PVC. The PRO SCENTNAL™ is ready to tackle any tough big odor control challenge. It's equipped with standard 115 VAC wall plug.

The PRO SCENTNAL™ joins the SQUIRT™ drain dosing dispenser and the DRAIN CHIEF™ drain dosing dispensing systems, to round-out the DEMA Drain and Odor Control Systems family of products, one for every location.

DEMA Engineering Company's worldwide headquarters are located in St. Louis, Missouri, USA. Viking, LLC, A DEMA Company is headquartered in Nesquehoning, Pennsylvania. The Global DEMA organization has additional sales warehouse locations in Zeewolde, Netherlands; Sidney, Australia; Shanghai, China; and Sao Paulo, Brazil; and works through a worldwide network of distributors and representatives.
