## THE NEW DEMA DRAIN CHIEF™ SENDS TROUBLES DOWN THE DRAIN

Worry-free grease trap maintenance is assured with the DEMA DRAIN CHIEF™ drain dosing dispenser. The proven built-in drain system delivers long-life reliability.

The DRAIN CHIEF™ has an easy-to-program electronic timer, and is equipped with a 12 V plug-in transformer, or the optional battery pack, using 8 common easy-to-find “D” cell batteries.

Multiple tube options include EPDM, viton, silicone and PVC to accommodate almost any chemical. In addition, the DRAIN CHIEF™ is housed in a locking, splash-resistant ABS enclosure with a pre-drilled mounting plate.

The DRAIN CHIEF™ joins the SQUIRT™ drain dosing dispenser and the PRO SCENTNAL™ spray dispensing system, to round-out the DEMA Drain and Odor Control Systems family of products, one for every location.

DEMA Engineering Company’s worldwide headquarters are located in St. Louis, Missouri, USA. Viking, LLC, A DEMA Company is headquartered in Nesquehoning, Pennsylvania. The Global DEMA organization has additional sales warehouse locations in Zeewolde, Netherlands; Sidney, Australia; Shanghai, China; and Sao Paulo, Brazil; and works through a worldwide network of distributors and representatives.
