

DRAIN DOSING DISPENSER ANSWERS LIMITED-SPACE KITCHEN LOCATIONS

Cramped kitchen applications are no problem, with the DEMA SQUIRT compact timed drain dosing dispenser. Exceptional reliability and durability are assured with the built-in proven DEMA Olympian™ pump control.

The SQUIRT has a splash-resistant ABS enclosure, and an easy-to-program electronic timer, programmable up to eight events per day and running on week-days, weekends, everyday, or just one day.

Fast, tool-less tube changing is easy with the “quick-change” pump cover. The enclosed back conceals the electronic timer, incorporating a protective rubber cover.
