Mr. Paul Naslund  
DEMA International  
10020 Big Bend Blvd.  
St. Louis, Missouri 63122

Dear Mr. Naslund:

At the Construction Code Commission meeting on November 6, 2002, the Plumbing Division presented your request for approval of the DEMA Model 16-30 Siphon Breaker.

The Construction Code Commission, upon recommendation of the State Plumbing Board, approved the use of the DEMA Model 16-30 Siphon Breaker with the following conditions:

1. All requirements of the Michigan Plumbing Code shall be applicable.
2. Shall be installed in accordance with manufacturer's installation instructions.
3. Only those devices containing the 16-30 designation may be used.

Should any change be made in the design or designation of this product, the modified product must be submitted to this office, and a new acceptance obtained.

In accordance with Section 21 of Act 230 of the Public Acts of 1972, as amended, neither this letter nor the Certificate of Acceptability may be used for advertising or promotional purposes.

A Certificate of Acceptability is enclosed.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry L. Green".
