

DEMA MASTER NE

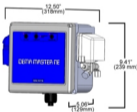

PROBE & PROBLESS ANALOG WAREWASH DISPENSER

DEMA MASTER NE is the analog warewash dispenser that uses the proven quick change blue pump used on many DEMA dispensing systems. Traditional analog programming makes set-up quick and easy. And the pre-wired power supply, mounting bracket and quick change pump cover reduce installation and service time.

- Probe or probleSS operation from the same unit
- DEMA's most water resistant ABS enclosure
- Pre-wired power supply to reduce installation time
- Wall mounting bracket for easy installation and removal
- Quick change pump cover for tool-less tube changing
